IT'S CHEVRON ON

STREET PARTY

Sunday 28 July 2024

Are you a local business in the street and wish to apply for extra stall space, or a temporary food license to serve in the event space, or an extended alcohol licensed area for the event?
Then follow below information and steps:

1) Read and understand the requirements here:

<https://theeventsagency.com.au/index.php/downloads/>

or direct link here: <https://theeventsagency.com.au/wp-content/uploads/2024/05/EntryConditions-IOC24-TheEventsAgency-v1.1.pdf>

This goes into detail about what is required to have a stall or extended area on council controlled land (including market stalls, food stalls, & licenced areas).

2) If you do not already hold the relevant license/permit/insurance, you can apply for it below.

Temporary Food License

<https://www.goldcoast.qld.gov.au/Services/Report-pay-apply/Permits-licensing/Food-business-%E2%80%93-fixed-mobile-temporary-premises>

Temporary Change in Licensed Area – FORM 16

<https://www.publications.qld.gov.au/dataset/liquor-licensing-and-compliance-forms/resource/24f33576-a4eb-413a-9e17-319e83af3d22>

Stall Insurance

There are a number to choose from if you do not already have cover, but a couple of options include:

- <https://mymarketinsurance.com.au/>
- <https://www.aami.com.au/business-insurance/market-stall-exhibitor.html>

3) Then let the Event Management team know by applying via the online Event Portal – listed here:

<https://form.io/form.com/theeventsagency/ioc24#open>

Please note - making an application does not automatically mean you have approval as the Event Promoters need to review to see if space is available, how it adds to the event experience, accessibility requirements and other reasons.

When do I need to complete the above? All permits and licenses take time to process (with some taking up to 8 weeks) so we'd encourage any interested businesses to reach out as early as possible. Please ensure you have submitted an application if interested by **Monday 10 June 2024**. Final adjustments on those applications can be made alongside event management until one week prior – Monday 22 July 2024.

Not interested in any of the above? Let us know if you want to do something else or email us with your ideas or other ways you would like to be included.
