This letter is notification of the proposed event and opportunity to provide any feedback. This event is hoped to bring further visitation to the area, showcase Chevron Island and the local groups and businesses in the area, and create a great family friendly celebration throughout the streets.

It is anticipated the event will run from 12pm to 4pm on Sunday 28th July 2024, with activities along Thomas Drive and Mawarra St. As with any event on main roads, in order to ensure safety of suppliers and spectators, it is proposed to conduct a temporary road closure (see information below) for the 4000+ people we expect will attend. A PA system will operate during the event for general communications, commentary, and emergency reasons.

- **Type of closure:** Full Temporary Road Closure with Detour.
- **Proposed Time(s):** 6am to 7pm (with car parks inside closure from 5am).
- **Reason for closure:** Safety of Event Attendees/Vendors.
- **How to access your residence/business:** Reach out to event organiser for specific information.
- **Event Organiser:** The Events Agency – events@theeventsagency.com.au – 1300 855 270
- **Complaints Hotline:** As above.
- **City Information/Correspondence:** eventapplications@goldcoast.qld.gov.au

Local businesses/residents are encouraged to:

- Provide feedback on the event concept and design.
- Inform event organisers of promotions or offers you might be running during the event (so these can be pre promoted on event channels).
- Inform event organisers of extended opening hours during the event.

Should local businesses wish to have an additional street stall space, please advise Event Organisers by **Monday 10 June 2024** via links at <https://theeventsagency.com.au/downloads/> and an area will be allocated. External stall holders will be asked to pay a stall fee towards the event; local businesses however will have this fee waived.

On behalf of Councillor Darren Taylor and CIBRA, we intend to showcase the best of Chevron Island, and give a unique experience to spectators and the local community. Should you have any queries on the proposed event, please do not hesitate to contact us at events@theeventsagency.com.au at your earliest convenience.

Best regards
